

## DOMESTIC ANIMAL REGULATION

Your animals are welcome in our campsite but we ask you to observe this regulation in order not to cause any inconvenience to the other guests:

- 1) The presence of your animal has to be compulsorily reported during the reservation and the arrival.
- 2) The entrance of the animals has to be authorized from the campsite staff.
- 3) Any animal or dog breed, which is considered dangerous from the competent authorities, can be forced to leave if it's necessary.
- 4) Dogs have to be kept on a short leash inside the campsite and they always have to be with their owner.
- 5) Owners have to guarantee a complete observance of hygienic-health norms of their animals, such as collecting any physiological need and put it in the suitable container in front of the facility.
- 6) Owners have the duty to monitor their animals so not to cause any inconvenience to the other guests.
- 7) Any damages to third parties or to any part of the campsite caused by the animals are under complete responsibility of the owner.
- 8) It is forbidden to bring animals inside the facility and the WC of the campsite.

Owners who disobey these rules will be reprimanded according to this regulation. Secondly they will be pleased to leave the campsite.

**N.B. According to the law (L. n. 34/1974) guide dogs are exempt from this regulation.**
